

# Sponsorship

Everyone has a story. **Do Tell!** presents a special evening of Greeley Voices ... local residents who share their personal stories about an event of significance. Some of the stories are funny, others inspirational, most are touching. All of the stories are compelling.

The presenters are not professional speakers and are not compensated for their performances. Donor sponsorships help underwrite the major expenses that allow this event to be hosted in a fitting venue, keep ticket prices affordable, and produce a simple but impressive event. The event is hosted by the Greeley Creative District and all proceeds are dedicated to the promotion and support of local arts, innovators and creatives that help define Greeley’s distinctive sense of place.

**SPONSORSHIP LEVELS INCLUDE:**

- \$2,000 Key Sponsor
- \$500 Supporting Sponsor
- In kind Underwriter: provides a specific material or service to the event

Event Sponsors receive **2 complementary tickets for each contribution of \$500 in cash or in kind value** to the event and the following recognition:

- Inclusion in advance media promotion (newspaper, radio, social media)
- Placement in Event Program
- Signage at Event Check-in
- On-stage signage & recognition
- Signage at Event Dessert Reception following the Performance
